BE INTENTIONAL IN 6 THINGS:

1. My Personal time

B. What will make me better?

2. My family time

3. My Catch Up time - What have I been wanting to do?

4. My Adding Value time - People need encouragement

5. My Faith Time - Develop my trust muscle - My prayer life

6. My Thinking time...

1. How will this crisis make me better?

2. How will I use this crisis to help other people?

3. What action will I take that will improve my situation?
